

# You can save their lives

- Rabies is a deadly disease that affects the lives of many people and animals.
- The main cause of rabies is the bite of a rabid dog.
- Half of all dog bites and human rabies deaths occur in children.
- Although rabies is almost 100% fatal, it is also 100% preventable.

**We can all help to keep the people and animals in our lives safe from rabies:**

**Learn how to behave around dogs to avoid dog bites**

**If you are bitten, wash the wound with soap and running water, and seek medical help immediately**

**Vaccinate your dogs regularly – this is the best way to prevent rabies**

**Save the lives of your loved ones, both humans and animals, by learning the facts and sharing them –**

**visit [rabiesalliance.org](http://rabiesalliance.org) for free resources and courses.**

**#WorldRabiesDay**
